Re: Docket Number: E-01345A-16-0036 + E-01345A-16-0123

Dear members of the Arizona Corporation Commission,

Vote NO on any unnecessary increases to our APS bills.

Being the owner of a small business, I can see the negative impacts that could come from a increase in costs proposed by APS -- from the effect additional costs could have on businesses such as mine to the ripple it could cause to residential customers in the community.

The Commission's own staff and the Residential Utility Consumer Office have stated that a change in rates is not needed by APS. And I see no justification for raising the monthly fixed charge. I encourage you to advocate against this request for it is truly not in the best interests of Arizonans.

Thank you for support,

Arizona Corporation Commission
